ISO 9001 - QUALITY POLICY STATEMENT

PATIENT TRANSPORT SERVICES

St John Cymru-Wales Patient Transport Services (the organisation) aims to provide a responsive patient transport service with a professional high standard in patient care

The organisation operates a Quality Management System that has gained BS EN ISO 9001:2008 certification, including aspects specific to a complete transport provider

The management is committed to:

- Development and improvement of the Quality Management System
- Continuous Improvement of the Quality Management System
- The measurement and enhancement of customer satisfaction
- The provision of the highest standard of patient care at all times

The management has a continuing commitment to:

1. Ensure the customer needs and expectations are determined and fulfilled with the aim of achieving customer satisfaction
2. Communicate throughout the organisation the importance of meeting customer needs and all relevant statutory and regularity requirements remaining honest, open and genuine at all time putting the needs of the customer first
3. Establish the Quality Policy and its objectives
4. Communicate its Quality Policy Statement to all staff
5. Ensure that the management reviews set and review the quality objectives, and reports on the internal audit results as a means of monitoring and measuring the processes and the effectiveness of the Quality Management System
6. Ensure the availability of resources and provide first class training for employees and observe high standards of behaviour and conduct.
7. All services will be ethical, kind and compassionate, by being considerate and appropriate to the patient's needs.
8. Make ourselves available to those that need to speak to us, listening carefully to what is said to us and making sure that those we work with are kept up to date and understand what is going on.

The structure of the Quality Management System is defined in this Quality Manual. All personnel understand the requirements of this Quality Policy and abide with the contents of the Quality Manual. The organisation complies with all relevant statutory and regulatory requirements.

The organisation constantly monitors its quality performance and implements improvements when appropriate. Copies of the Quality Policy are made available to all staff via the on-line management system. Copies of the minutes of Management reviews, or extracts thereof, are provided to individual members of staff in accordance with their role and responsibilities as a means of communicating the effectiveness of the Quality Management System.
